

# What do you notice...

## ... about our neighbours?

- I wonder if they're going to plant any new flowers this year...
- What do you think they're excited about this week?
- How do you think they feel about the changing season?

## ... about the environment?

- I wonder what types of flowers might grow here...
- What changes have you noticed in the grass, trees, flowers, etc.?
- What types of things would you like to see growing here?

## ... about the houses?

- What differences do you see between each house?
- How might your house look different in the future?
- Why do some people call houses "homes"?
